## A look back in time at the James G. Murphy Company

This page will be updated throughout the year showing some of our more interesting, unique, and unusual auction events that have occurred over the last 35 years

The James G. Murphy Company opened its first auction facility in Auburn, WA in 1970. The photo shows an auction conducted on March 20, 1971. That's a young Jim Murphy (circled) on his auction stand high above the crowd. The auction office is directly below. In 1973, the company moved its auction facility to Woodinville, WA, then in 1974, moved to our current location in Kenmore, WA.
